

# CIVIC LEADERSHIP ACADEMY

Study government & explore public service careers in  
Washington, DC, 24 February - 3 March 2007

If you're interested in politics and careers in public service, CAP's Civic Leadership Academy, an intensive 1-week program in Washington, DC, is for you.

CLA cadets receive behind-the-scenes tours and briefings at the Capitol, Supreme Court, State Department, Pentagon, CIA, and more. They interact with national leaders while learning about the democratic process. The week culminates with CAP's Legislative Day, when cadets meet with their elected representatives on Capitol Hill.

This is not your average field trip to Washington. CLA is an academically-focused activity that includes seminars, readings, and group projects.
